Dear Parents and Carers,

Welcome back to school from all the staff at The Willows Primary School and Nursery. It has been wonderful to see the children rush through the doors as the new school year begins. Thank you.

As you know, we welcomed new teachers this year - Miss Wealthall—Nursery Teacher , Miss Brown—Year 1 , Mrs Hughes - Year 2 , Miss Dorrington –Year 3, Mr Fuller—Year 4, Miss Ruffell - Year 5, Mr Evans—Year 5, Mr Sans – Sports Coach and Mr Vickers - Caretaker.

They have all settled in very well and begun to build great relationships with the children.

For the first week this year, we are having a big drive on basic English and maths skills and we would appreciate your support with this as we strive to ensure that the children have an early focus on spelling, punctuation, grammar and reading as well as counting and calculation skills.

Please ensure that all monies are paid at the front office or to the class teacher, with your child's name and class clearly marked. Dinner money is currently £2.00 per day.

Please keep checking your child's bag and also the website where any correspondence is published straight away.

Yours sincerely,

Mr Freese
Headteacher

School and Trust Updates

You will notice that there is school building improvement work continuing so please take note of any advice given.

Please drive carefully on the approach to school and do not park on the yellow lines for any reason. The yellow lines are monitored by the police and the local authority to ensure that your children are safe, therefore, if you can please begin the term by walking to school or for those families that live a long distance please can you park on other safer roads and then walk your children to school. We appreciate your support and we know that we are all working towards keeping our children and community safe.

It is vital that all parents that qualify for free school meals still register their children with the local authority as the additional pupil premium funding means that these children can benefit from additional school support, a reduction on the cost of the school uniform and class trips. Please ask in the school office for more information.

Attendance across the Trust improved once again —Thank you. It is the legal responsibility of parents to ensure their child attends school and is always on time. Good attendance at school enables children to cope more easily with school routines and work, thereby making learning more satisfying and ensuring greater progress both socially and academically.
